Contact us

To find out how our eBooks can fit your library, please contact your CABI Regional Sales Manager or email our team on sales@cabi.org.

As a scientific research organization, we know how important it is to have access to the right information.

To help you build your collection, we are pleased to offer over 900 eBooks for purchase or subscription, in packages or pick and choose.

CABI's eBook programme covers agriculture, international development, animal and veterinary sciences, environmental sciences, plant sciences, horticulture, forestry, human health and nutrition, leisure and tourism.

CAB eBooks Front File (2017–present)

The CAB eBooks Front File is a dynamic subscription product that grows as newly published books are added. There are over 148 books in this collection published from 2017 onwards, with 40-50 new titles added each year.

Under CABI's innovative lease-purchase model, customers who lease the front file every year gain perpetual access to the content at no extra cost as soon as it becomes available for ownership.

Fixed collections

All of CABI's fixed, multi-disciplinary eBook collections are available for one-off purchase with perpetual ownership.
